HUNGARY

Budapest / Hungary

BUDAPEST is a perfect destination for incentive travel, conferences, long weekends, and events. A city that has it all: high-class hotels, a wide choice of creative & cool city programs, gourmet experiences and some of the most magical venues, palaces, and villas to be rented for your private event.

Budapest, in the heart of Europe, is easily accessible from all over the World, safe & comfortable. It offers outstanding **gastronomical experiences** in all directions: Michelin star, street food, traditional, and much more.

It is the **City of Thermal Waters**, offering more than 1000 springs and numerous internationally famous Thermal Baths. It is a city that **has it all**: modern and classical museums, art galleries, nightlife, and great shopping possibilities.

Where Liszt, Bartók, Kodály, Lehár, Petőfi, Puskás, Edwin Marton and Vasarely are at home...

Where party spots are popping up every week offering an **outstanding choice of ruin bars & night clubs**.

But Hungary is not only about Budapest. There are hundreds of program choices and experiences also outside the borders of the metropolis. **Come and enjoy with us the romantic & unique countryside of Hungary!**

A Sailing day at the Lake Balaton, An orient express train ride towards the Hungarian Puszta, Wine & Gastro Day in Etyek, Matyó & Wine Experience in Eger, and many more.
